Such annual report shall contain information regarding complaints received by the commission from the public, including, but not limited to, complaints of overcharging, as well as enforcement actions undertaken by the commission, whether the enforcement action was dismissed or settled, or if a penalty was imposed by the commission on the subject of the enforcement action. In addition to inclusion in the commission's annual report, the disaggregated complaint and enforcement information shall be posted on the commission's website updated no less than monthly. Information shall be published in a manner that does not identify the individual parties involved in the actions reported upon in this section. The chairman of the city council committee on transportation may at any time direct the commission or the chairman of the commission to appear before the committee to give testimony pertaining thereto, and to furnish to the members of the council any reports deemed necessary.

*b. The commission shall make a quarterly report to the city council on or before the second Monday of March, June, September and December in each year. Each such quarterly report shall contain information for the immediately preceding quarter regarding the average wait time to secure a vehicle inspection at the commission's assigned inspection facility as required under the rules of the commission. Such report shall also contain the number of instances when the wait for an inspection exceeds four weeks. All information shall be disaggregated by vehicle type.*
