A LOCAL LAW

To amend the administrative code of the city of New York, in relation to requiring the administration for children's services to report on their success in obtaining government-issued personal identification for youth in foster care.

Be it enacted by the Council as follows:

Section 1. Chapter 9 of title 21 of the administrative code of the city of New York is amended by adding a new section 21-908 to read as follows:

§ 21-908 *Government-issued personal identification.* a. *For the purposes of this section the following terms shall have the following meanings:*

1. *“Another Planned Permanent Living Arrangement (APPLA)” means a permanency planning goal for young people in foster care who are over the age of fourteen that seeks to assist foster care youth in their transition to self-sufficiency by connecting the youth to an adult permanency resource, equipping the youth with life skills and, upon discharge, connecting the youth with any needed community and/or specialized services.*

2. *“Discharge Checklist” is a form completed by the ACS contracted foster care agency in consultation with a young person leaving foster care that is intended to guide discussions about the youth’s plans after leaving care. The document is intended to develop and document a discharge plan that is youth-driven, is as detailed as the youth elects and enables the young person*

to address any outstanding topics prior to discharge.

3. "Government-issued personal identification" shall mean a birth certificate, social security card, state-issued driver's license or non-driver identification card, United States permanent resident card, individual taxpayer identification number, municipal identification card, consular identification card, or passport.

4. "Preparing Youth for Adulthood (PYA) Checklist" is a form completed by the ACS contracted foster care agency in consultation with a young person transitioning from foster care that is intended to guide discussions about the youth's plans after leaving care. The document is intended to assess and document a transition plan that is youth-driven and enables the young person to address any outstanding barriers to the successful transition to independence.
