Be it enacted by the Council as follows:

Section 1. Chapter 1 of title 11 of the administrative code of the city of New York is amended by adding a new section 11-136 to read as follows:

a. No later than November first of each year, the department of finance shall submit to the council, and make available on the department's website, a report on the outstanding debt for base penalties, default penalties, and default judgments issued for notices of violations returnable to the environmental control board and referred to the department for collection during the previous fiscal year, and base penalties, default penalties, and default judgments issued for notices of violations returnable to the environmental control board and referred to the department for collection that remain in full force and effect, pursuant to subparagraph (i) of paragraph one of subdivision d of section 1049-a of the charter. Such report shall include: (1) the total number of judgments referred to the department by the environmental control board, including the number of default judgments; (2) the total dollar amount of judgments referred to the department,

b. For purposes of this section, the following terms shall have the specified meanings:

“Base penalty” means, with respect to any notice of violation returnable to the environmental control board, the penalty that would be imposed upon a timely admission by the respondent or finding of liability after a hearing, pursuant to the environmental control board penalty schedule, without regard to reductions of penalty in cases of mitigation or involving stipulations.

“Default judgment” means a judgment of the environmental control board, pursuant to subparagraph (d) of paragraph one of subdivision d of section 1049-a of the charter, determining a respondent’s liability based upon that respondent’s failure to plead within the time allowed by the rules of the environmental control board or failure to appear before the environmental control board on a designated hearing date or on a subsequent date following an adjournment.

“Default penalty” means a penalty imposed by the environmental control board, pursuant to section 1049-a of the charter, in the maximum amount prescribed by law for the violation charged.

“Respondent” means a person or entity named as the subject of a notice of violation returnable to, or a judgment issued by, the environmental control board, or such other person or entity who asserts legal responsibility for the liability of the person or entity named in the notice or the judgment.
