3. A description of the mental health services provided at drop-in centers and safe havens;

4. A description of the mental health services provided to the unsheltered homeless population directly and by referral, including the number of removals initiated pursuant to section 9.58 of the mental hygiene law;

d. No information that is required to be reported pursuant to this section shall be reported in a manner that would violate any applicable provision of federal, state or local law relating to the privacy of information respecting individuals in shelter.
